

Customer User Stories

As a visitor to Pesky Pooch, I should be able to _ so that I can _.

As a visitor to Pesky Pooch, I should be able to browse all information relevant to the brand so that I can decide whether I would like to purchase services or not.

👁 ☰

As a visitor to Pesky Pooch, I should be greeted by a home page that clearly outlines the purpose of the brand/website.

Administrator User Stories

As an administrator of Pesky Pooch, I should be able to access an administrator dashboard which displays all received contact forms and allows for the removal of entries.

Operator User Stories

As an operator of Pesky Pooch, I should be able to update all dynamic content as required.

☰
